## ABOUT THE CAMLEY STREET STEERING GROUP

**The Camley Street Steering Group started in early 2020. The group are an advisory forum and sounding board on the Camley Street project design and development matters, as well as connectors and champions within their own local networks.**

### **To date the Steering Group has:**

- Co-developed the Camley Street Shared Vision (2021)
- Supported Cabinet approval of the regeneration business case (2022)
- Assisted in selecting the leading design team
- Contributed to developer procurement and social value priorities, resulting in the appointment of Ballymore Lateral (2024)
- Helped shape the place identity and six core objectives: housing, employment, placemaking, open/green space, and new routes
- Been active in the annual Camley Street Festival and local outreach
- Provided ongoing design input through workshops in the lead-up to the planning submission (Autumn 2025)

### **Between 2020 and Autumn 2025:**

- 25 Steering Group meetings or workshops were held
- Including three Open House sessions which were open to the wider community
- Meetings took place at varied times and locations to accommodate diverse needs

## WHO IS ON THE STEERING GROUP?

**Residents, local businesses and community group representatives, including from the Neighbourhood Forum are all part of the Steering Group.**

Overall, 90+ people have been involved since the start, as Steering Group members or Open House participants, guest speakers and project team members.

The Steering Group will continue to be a critical part of the project engagement strategy as it continues beyond planning submission.

## LOOKING AHEAD TO 2026

**As we move into 2026, we're beginning to shape the next phase of work with the Camley Street Steering Group.**

**Opposite are some of the areas we're exploring — but we want to hear from you.**

What topics matter most to you?

How would you like the Steering Group to grow and evolve as we enter a new chapter?

## WHAT'S COMING UP:

### **Community Fund launch:**

Learn about the fund, how to apply, and share ideas for future rounds.

### **Temporary engagement space opening:**

Celebrate the launch! We'll be gathering ideas for events and inviting community members to plan and host their own sessions.

### **Permanent underpass artwork:**

Help shape the brief for a potential new piece of public art (subject to funding and third-party consent).

### **Frameworks for Estate Management, Workspace and Social Value Charter:**

Camden Council wants your input on developing these opportunities.

**WE'D LOVE YOUR THOUGHTS ON WHERE THE STEERING GROUP SHOULD FOCUS ITS ENERGY NEXT.**

**Add your comments to the feedback form or speak to a member of the team today.**
